2-3	The illustrations on these pages depict a cartoonish pair of breasts and nipples. The text on the page reads: You have just opened a book about boobies. See Figure 1.
14-15	Just as humans vary, boobies vary. Not only that, your boobies will change as you grow up and as you grow older. The illustrations on these pages depict several pairs of cartoonish breasts including nipples. Among the images are depictions of mastectomy scars. See Figure 2.
24	The illustration on this page depicts a nude man and woman in a posterior view walking on a beach.
32	There are mountains that some say are named after boobies.
35	And did you know that "mountain peaks" is Chinese slang for boobies?
40-41	The illustrations on these pages depict a cartoonish pair of breasts and nipples.
