9	"You know what I like about you, Bitty? You're a dude from the south, and you're not a bigoted dickfaced cockhole! Good for you."
17	"The alcohol you drink will be cheap, but plentiful. And the loss of virginity you may experience within these walls will rage from reassuring to emotionally damaging."
58	"One of the reasons I wanted to go to Samwell was its ranking as U.S. News and World Report's #1 most LGBTQ-friendly campus in America for the last three years. 83	"You're having a beer? Ransom and Holster said you didn't drink." "They did? Huh. Well, not often, and definitely not at haus parties."
124	"Bitty, I came to Samwell to get away from the wack, conservative, hyper-privileged, uptight guys I played with at Andover. Not like I'm syaing that's Dex, but pretty sure bro went and put a Samwell Republican sticker on his laptop the other day."
