Page	Content
	<p>Note to Parents</p> <p>At some point in elementary school, probably around ages seven to ten, your child will want to have a more specific explanation of where babies come from.</p>
5	<p>The illustration on this page depicts a boy holding up an illustration of a nude young man in a frontal view with his penis and scrotum exposed. The illustration is titled "Outside View" with the labels "Scrotum" and "Penis" with arrows pointing to respective parts.</p>
6	<p>The illustration on this page depicts a boy holding up an illustration of the internal parts of a male reproductive system. The illustration is titled "Inside Close-up View" and has labels with arrows pointing to the following: "Testicle", "Scrotum", "Penis", "Testicle", "Prostate gland", and "Seminal vesicles".</p>
7	<p>The illustration on the bottom right of the page depicts two nude young boys in frontal view, looking at each other. Their genitals are fully exposed.</p>
8	<p>The illustration on the right side of the page depicts a young boy lying in bed looking at a lump under the covers. The text beside the illustration reads: Some mornings, it's not just the sun that rises...</p>
9	<p>The illustration on this page depicts a girl holding up an illustration of a nude young woman. The illustration is labeled "Outside View" and has the label "Vulva" with an arrow pointing toward her genitals. Her nude breasts are exposed.</p>
10	<p>The illustration on the bottom of the page depicts a nude woman from the waist downward. The genitals are shown with hair. The text next to the illustration reads: hair here too.</p>
11	<p>The illustration on the top, left of the page depicts a young woman's torso and chest with her nude breasts exposed in a frontal view.</p>
14	<p>The illustration on the bottom, right of the page depicts a man and woman kissing one another. They are portrayed in their underwear and the woman is shown with her bra coming loose.</p>
15	<p>When a man and a woman love each other and decide that they want to have a child, they will do something called "sexual intercourse" or "having sex." This is when the man lies very close to the woman and puts his erect penis inside her vagina. It feels good for both the man and woman.</p>
21	<p>The illustration on the left of the page depicts a nude young girl in a frontal view with her nipples and genitals exposed.</p> <p>The illustration in the middle of the page depicts a nude young woman in a three-quarters view with her breasts and genitals exposed.</p> <p>The illustration on the right of the page depicts a nude woman in a three-quarters view with her breasts and genitals exposed.</p> <p><i>See Figure 1.</i></p>
22	<p>The illustration on the left of the page depicts a nude young boy in a frontal view with his genitals exposed.</p> <p>The illustration in the middle of the page depicts a nude young man in a frontal view with his arms folded across his chest and his genitals exposed.</p>

Page	Content
	<p>The illustration on the right of the page depicts a nude man in a frontal view with his genitals exposed.</p> <p>The text at the bottom of the page reads: Until you are an adult and ready to make such important decisions about being sexual with someone and about having babies, it is okay to appreciate and explore your own body.</p> <p><i>See Figure 2.</i></p>
24	It also feels good and is perfectly normal to touch your own body privately.
25	Sometimes as you are growing up, especially when your body starts to really change, you may think about "sexy stuff" and wonder, is this okay? Not only is it okay, most kids do.
