Page	Content
28	<p>To make a baby, a sperm from a man's body and an egg from a woman's body must get together.</p> <p>When grownups want to make a baby, most often a woman and a man have a special kind of loving called "making love"- "having sex"- or "sex." This kind of loving happens when the woman and the man get so close to each other that the man's penis goes inside the woman's vagina.</p> <p>The cartoon illustration on this page depicts a woman on top of a man under covers on a bed hugging each other with hearts above the bed.</p>
30	<p>The cartoon illustration on this page depicts an adult female with a frame with internal organs labeled with "ovary," "the sperm and egg meet here- inside one of the woman's Fallopian tubes," "vagina," "uterus," and "ovary."</p>
