8	I'm not sure what God looks like. I don't know if there's one big God in heaven or if there's two or three or thirty, or maybe one for each person. I'm not sure if God is a boy or a girl or an old man with a white beard. But it doesn't matter. I just feel safe knowing someone's listening.
36	The kid really was like a bull. Always ready to charge, always fired up to call Virgil a retard or pansy.
38	"You're a retardo, so you probably don't know, but five times five equals the number of times I made out with your sister."
118	"Guess you'll have to get new books, pansy boy," the Bull said, his smile widening.
