8	<p>sex is a way for people to transcend into each other and come apart a beautiful earthy expression but for me sex was my girlhood dragged to death he said we were going to play then he always locked the door always chose the game when I told him to stop he said I was asking for it but what I didn't know about involuntary orgasms and agency and consent at age 7. 8. 9. and 10.</p>
16	<p>being molested as a child has been the most confusing experience of my life. To learn sex without having any concept of it has messed me up in more ways than I'm aware of. To feel an orgasm so young. To have my life threatened. To be stretched. Bruised. Bit. Spit on. To become a woman at the age of four. To know fear intimately. Have it breathe down my neck. To be numb. Stiff. Silent. And own all the world's shame at once. The need to survive lie a fire in me I want to be snapped cracked hammered into</p>
25	<p>imagine what we could accomplish if we didn't have to spend our energy protecting ourselves from society's rapist problem</p>
26	<p>Most of my life has been spent with the two of us touching skin to skin our nights together and sometimes our days you carried me when my limbs refused to when I was so sick I could not move not once did you tire of my weight not once did you complain you've witnessed all my dreams my sex my writing ...I went from girl to woman on top of you and in the end it will be you- old friend delivering me to death well rested - there is no place more intimate than a bed</p>
37	<p>thinking if you were lucky enough to taste me you'd get your hands on something better everything dulled in comparison now you're back body spilling over my floor begging me to crush you with my thighs</p>

	<p>pull you into my hips transcend you to heaven with my pussy</p>
49	<p>masturbation is meditation ...in a world that doesn't consider my body to be mine self-pleasure is an act of self-preservation when I'm feeling disconnected I connect with my center touch by touch I drop back into myself at the orgasm I'm not going to pretend to be less intelligent than I am so a man can feel more comfortable around me</p>
52	<p>look me in the eyes when you're down there eating for your life. -I want you to see what you do to me</p> <p>The illustration on this page depicts a line drawing of a nude female torso and pelvis. The pubic region is illustrated with wavy pubic hair lines. <i>See Figure 1.</i></p>
53	<p>my body is so hot from wanting you I'm spilling by the time we take our clothes off I want the kind of love that transcends me into another realm I want you so deep we enter the spirit world go from being gentle to rough I want eye contact spread my legs to opposite ends of the room and look with your fingers I want my soul to be touched by the tip of yours I want to come out of this room different people -can you do that</p>
92	<p>I have a very complicated relationship with the country I was born in our men were slaughtered in those streets our women were raped while thousands were tortured and disappeared by police the indian state denies what they did but no amount of yoga or bollywood can make us forget the sikh genocide they orchestrated</p>
98	<p>you look tired he says I turn to him and say yeah I'm exhausted I've been fighting misogyny for decades how else do you expect me to look no one on this planet is in more denial than the white man who regardless of all the evidence in front of him still thinks racism and sexism and all the world's pain don't exist the world is changing can you feel it</p>
99	<p>I'm not interested in a feminism that thinks simply placing women at the top of oppressive systems is progress - not your convenient figurehead</p> <p>the future world of our dreams can't be built on the corruptions of the past -tear it down</p>

108	I am not interested in a feminism that excludes trans women he says you're opinionated as if it's an insult to have ideas so big he chokes on the size of them -never be quiet look for the women in the room who have less space than you listen hear them and act on what they're saying -amplify indigenous.
