21	<p>SnowAngel: my parents would be like, "you are underage. go sit at the kiddie table." but yours are like, "here, have another beer!"</p> <p>mad maddie: well, they won't be the ones actually giving me beers. they'll leave that to my crazy aunts and uncles. and it won't be beer, it'll be champagne.</p>
26	<p>mad maddie: ok, excuse me while i barf</p> <p>zoegirl: whoa, you really are hungover</p>
27	<p>mad maddie: about what? the fact that u almost had an affair with your horny english teacher?</p> <p>...mad maddie: how about his whole christianity kick, can i joke about that? ya gotta admit, it's great material. it's not very often that a guy uses God to try and lure in the girls.</p>
28	<p>mad maddie: but she was wasted too, so she didn't care. she got all teary and started saying stuff like, "u and clive! it's meant to be!" and i was like, "mom, no. i love being single." and she goes, "r u telling me ur a slut?"</p> <p>...mad maddie: then she calls out to all my aunts and uncles in this really loud voice, "someone bring me another drink—my little girl's a slut!"</p> <p>...zoegirl: was chive around for all that? did he hear your mom call u a slut?</p> <p>mad maddie: yeah, and he laughed. that's the cool thing about him.</p>
34	<p>SnowAngel: but her mom was drunk. she didn't MEAN it.</p> <p>zoegirl: yeah, but that makes it even more mind-blowing. do YOU get drunk with YOUR mom?</p>
35	<p>zoegirl: like that i don't agree with the whole friends-with-benefits philosophy. like i think that works out great for guys, but not so much for girls.</p>
43	<p>mad maddie: i had the craziest thought about what might be going on. forget the mr. silver's-having-an-affair theory: what if angela's mom is preppers?!!</p>
49	<p>mad maddie: zoe thought your dad was having an affair, btw</p> <p>SnowAngel: WHAT???</p> <p>mad maddie: she did. she thought the career counselor was his lover.</p>
59	<p>SnowAngel: they said to tell u they have a very fulfilling sex life. aren't u glad u brought it up?</p>
60	<p>mad maddie: good morning to u on this lovely day of giving thanks, which we americans call thanksgiving, and which wld be far lovelier if not for the taste of sour beer wafting about my tonsils.</p> <p>...zoegirl: hi, mads. i see you're still recovering from last night.</p> <p>mad maddie: that was so much fun. i kissed chive on the washing machine, did i tell u?</p> <p>zoegirl: yes, maddie. you called me from your cell phone even though i was 20 feet away having a very nice conversation with doug, which you interrupted. you were all, "i'm kissing chive on the washing machine! hahaha, isn't that hilarious? i'm kissing chive on the washing machine!"</p>
61	<p>zoegirl: i did like him. he had that drunk-and-sincere thing going on, but he was kind of charming.</p>
66	<p>mad maddie: but chive is so much more than "it's cool, dude." he's really into philosophy, and he's taking all these literature classes. did u hear him quoting charles bukowski while dylan funneled a beer?</p>

Page	Content
67	<p>SnowAngel: i liked the fact that he went to the keg and got u refills. that was very gentlemanly.            mad maddie: a few too many refills, unfortunately            ...mad maddie: i was so wasted i fell off the toilet seat. it was hysterical.</p>
68	<p>mad maddie: oh no, teenagers on the loose! oh no, underage drinking!            ...SnowAngel: they're just friends. anyway, u were drunk, so yr judgment doesn't count.</p>
90	<p>mad maddie: i can't—I told chive i'd hang with him. we're gonna watch "doctor who" and down a shot every time someone says "the doctor."</p>
91	<p>zoegirl: but have you ever heard of girls, like, pleasuring themselves by jiggling their legs?            ...mad maddie: omg, i am rolling on the floor, just so you know. just exactly how phenomenal IS that swivel chair?            ...mad maddie: and the term is "masturbating," zoe. u can say it. mas-tur-bat-ing.            zoegirl: fyi, i don't do that. sometimes i wish i could, but i can't, so that's that.            mad maddie: what do u mean, u can't?            zoegirl: i can't, that's all mad maddie: r u serious?            zoegirl: this is not actually what i texted to talk about. but yes, i'm serious.            zoegirl: can u?            mad maddie: can i MASTURBATE?            ...mad maddie: well, in that case ... yes, i can pleasure myself quite nicely, thank u very much. and i'm only telling u that cuz ur one of my dearest friends on the planet. but don't go asking for lessons.            zoegirl: oh, gross!            ...zoegirl: he jerked his chin at my legs, which happened to be crossed, and he said, "i know why girls do that."            zoegirl: "do *what*?" i said.            zoegirl: and he goes, "jiggle your leg like that."</p>
94	<p>mad maddie: it turned into this totally horny go-for-it session, with my bra shoved up and his hands all over me, and now he won't quit txtng. he's like, "do u wanna go to a movie? do u wanna go out for coffee?"</p>
98	<p>SnowAngel: chive's surprise was that the 2 of u were gonna smoke pot?!            mad maddie: and his friend brannen, which was a mistake. not the fact that i smoked pot, but the fact that brannen was there too.</p>
100	<p>SnowAngel: um, i know this'll sound kinda stupid, but what's the GOOD part about smoking pot? besides the fact that it was something u did with chive.            mad maddie: well ... i seriously had some wild sensations. it made everything blurry around the edges, like the boundaries of the world were melting away, and all these undercurrents of life were swirling around us. and i could SEE them. that's what made it so cool.</p>
105	<p>zoegirl: you know he kissed whitney, right? but maddie was all, "it's no big deal, bodies are bodies, blah blah blah."</p>
106	<p>zoegirl: hold on. maddie tried *pot*?            SnowAngel: yes, pot. weed, ganja, doobage, gank.</p>
107	<p>SnowAngel: well ... possibly. i was afraid they were gonna light up last night, but they didn't. brannen was like, "we're out of pot, dude. who's gonna go on a pot run?" but nobody ever did anything about it.</p>

Page	Content
145	<p>mad maddie: dude! chive gave me a nickel bag of pot to celebrate the birth of christ. isn't that righteous?</p> <p>...SnowAngel: maddie, tomorrow's christmas eve. u can't smoke pot on christmas eve!</p> <p>mad maddie: why not? the three wise men followed a frickin STAR all the way to Bethlehem. ur telling me they weren't under the influence of a certain illegal substance?</p> <p>...SnowAngel: does this mean u've learned how to smoke it in a way that doesn't hurt?</p> <p>mad maddie: i wouldn't say that, exactly. that's why i bought the pipe—it's supposed to make it a smoother ride. but anything'll get better the more u do it, right?</p> <p>...mad maddie: btw, chive says u can score some really good pot in california, so keep your eye out for me.</p> <p>...mad maddie: whine, whine, whine. nobody actually gets busted for buying pot. you only get hassled if ur a big-time cocaine dealer or something.</p> <p>...mad maddie: angela, chill. pot is my drug of choice, thank u very much.</p>
152	<p>zoegirl: her "stash"?</p>
157	<p>mad maddie: i guess, altho they can't be THAT serious, cuz sometimes chive and i still fool around. like yesterday we were on a beer run, and at a stoplight he just leaned over and kissed me out of the blue. a LONG kiss.</p>
158	<p>SnowAngel: did u smoke the bag of pot he gave u?</p> <p>mad maddie: as a matter of fact i did. do u have a problem with that too?</p> <p>mad maddie: it's just POT, angela. nobody's gonna get hurt from a little pot.</p>
161	<p>zoegirl: hurting how? are you hungover?</p> <p>mad maddie: maybe just a tad</p>
163	<p>zoegirl: that's not all. we *kept* kissing ... and kissing and kissing and kissing. and it's not like i was swept away or anything, but at the same time i didn't stop him, you know? i didn't want to hurt his feelings.</p> <p>...zoegirl: anyway, we somehow ended up with both our shirts practically off, but not completely. they were just pushed up really high.</p> <p>zoegirl: actually, i was wearing a sweatshirt—and i wasn't wearing a bra underneath. it was thick enough that i didn't need to! i didn't *expect* anyone to find out!</p> <p>...zoegirl: i know! i'm sure he was pretty startled. but i didn't *plan* it that way—it just happened!</p> <p>mad maddie: and in the church basement, no less. what is it with u and jesus? does he, like, turn u on?</p>
164	<p>mad maddie: i have nooooo idea. all u did is fool around.</p> <p>mad maddie: ooo, do u think u made his scrotum tighten?</p>
173	<p>SnowAngel: *gone, sorry. new thumbs, tee hee. i think i'm a little tipsy.</p> <p>SnowAngel: AND ALSO I NEED SOMEONE TO KISS!!! BECAUSE THE KISS AT THE END OF PITCH PERFECT IS SO PERFECT!</p>
182	<p>SnowAngel: she also bought me this fuzzy white sweater with three-quarter-length sleeves. i call that one my kate upton sweater cuz it makes my boobs look ginormous. (well, ginormous for a 34B)</p> <p>...mad maddie: zoe's worried that doug thinks she's a woman of the night. isn't that hysterical? apparently the two of them got down and dirty in doug's church's basement, and things went further than zoe intended.</p>

Page	Content
193	zoegirl: well, on our 1st date we fooled around kind of more than we should have, maybe. only why do i feel like that? like we *shouldn't* have? tons of people fool around. maddie fools around all the time. so if doug and i want to fool around, we should, right?
194	zoegirl: well, on our 1st date we fooled around kind of more than we should have, maybe. only why do i feel like that? like we *shouldn't* have? tons of people fool around. maddie fools around all the time. so if doug and i want to fool around, we should, right? ...SnowAngel: ok, let's recap. u got down and dirty on your first date, and last night doug wanted an instant replay. did u give him one or not? ...zoegirl: we kissed, but i didn't let it go further than that. finally i said, "doug, we have to get some sleep. you have to go." he didn't take the hint, so i pulled him up and propelled him to the door and very unobtrusively pushed him toward his car. ...SnowAngel: just remember that as much as it pains me to say this, it really is ok to fool around or kiss or whatever. as long as you like each other, then that's a GOOD thing. ... SnowAngel: and there's a difference b/ w fooling around and hooking up.
202	SnowAngel: zoe, u r not a prude, ok? in fact i'd say ur turning into a sex guru. shit, girl, ur gonna outpace us all!
212	SnowAngel: she was stoned? how could u tell? ...zoegirl: i know. it's one thing to suspect that she's playing around with being a pothead, but it's another to see it in action. i didn't like it, angela. SnowAngel: did u tell her that? zoegirl: no, because there was no point. she was *stoned*
214	mad maddie: it's "wrong"? smoking pot is "wrong"? when did U get to be the morality police? ...zoegirl: which is why you get stoned and drunk? because you don't want to numb yourself out? mad maddie: pot AMPLIFIES the experience, zoe
215	mad maddie: name one thing u've done recently that pushed u out of your comfort zone, that made your heart pound. and u can't say fooling around with doug, cuz that doesn't count. ...zoegirl: "i want to be chive's special lady." that's what you said when you were high.
217	mad maddie: actually, i denied the hell out of them. but where does the moms get the right to come down on me? she and dad are the worst role models ever. and has SHE smoked pot? yes, she has. last night she told me that she and the dads smoked "mare-uh-joo-wah-nah" at some party when i was a kid, and it almost cost her her marriage. SnowAngel: whoa, your MOM smoked pot? your parents are so cool. why did it almost cost her her marriage?
218	mad maddie: contrary to popular opinion, i don't actually LOVE getting stoned.
231	zoegirl: you know what else chase said? that he used to have this girl he "hung" with who gave him head for over an hour. is that possible? mad maddie: now that's just silly. blow jobs should not last over 30 minutes.
239	mad maddie: "the great marshmallow-nipple dare," i call it. mad maddie: is it illegal? nooooo. is it dangerous? nooooo. will ppl stare at u? hmm, they very well might. i would, if i saw some chick prancing along with marshmallows glued to her nipples.

Page	Content
248	<p>SnowAngel: she said she saw zoe at the mall and that zoe had MARSHMALLOWS GLUED TO HER NIPPLES! *bores eyes into friend in extreme concern*</p> <p>...mad maddie: imagine if u will: the mall is packed with irritable shoppers, bored to tears with their predictable lives. but hark! from the distance comes a hazy apparition! it's ... it's ... it's zoe! she's charging thru the crowd, nipples a-blazin'!</p>
259	<p>mad maddie: i haven't done it YET. but i figure if u can glue marshmallows to your nipples ...</p> <p>zoegirl: doug calls me "hot cocoa" now. warm and luscious with a delightful marshmallow topping.</p>
267	<p>SnowAngel: an empty house, a romantic dinner, a soft, inviting bed ...</p> <p>zoegirl: so my question is, where should i go to get some sexy lingerie?</p> <p>...SnowAngel: of course it's allowed! i'm just flabbergasted. who'd have thought that u, of all ppl, would be marching off to buy sexy lingerie? and for doug!!!</p> <p>...SnowAngel: is this something u plan to model for him, or will it just be the delightful surprise beneath your clothes?</p> <p>zoegirl: i'm not gonna model it for him! no, no, no. just something nice for when we ... u know.</p> <p>SnowAngel: then i'd</p>
272	<p>SnowAngel: still sad. so sad i've started cutting myself, just fyi.</p> <p>...mad maddie: u can't stand the sound of your pulse, but i'm supposed to believe u could slice your skin and watch your blood ooze out?</p>
273	<p>SnowAngel: subject change: did zoe ever make it to victoria's secret?</p> <p>mad maddie: ooo, baby. she just popped by to show me her purchases, and they're sexcellent.</p>
274	<p>SnowAngel: to lean over when u put your bra on and really jiggle your boobs into place. "so many women have an extra inch of cleavage that remains under-utilized," she told me. "it's over by your armpits. u just have to shove it into place."</p>
275	<p>SnowAngel: i'm saying that i've pierced my nose. AND my nipple. i did it myself in my very own bathroom. just this second. *proudly thrusts out boob*</p> <p>...mad maddie: anywayz, if ur going for shock value, u should tell her u pierced your labia.</p>
276	<p>SnowAngel: i pierced my labia.</p> <p>zoegirl: WHAT?</p> <p>SnowAngel: i pierced my labia. i got this sudden urge, i don't even know why, so i walked into a body-art salon and just went for it.</p>
280	<p>mad maddie: u say ur not ready, but what happens when the passion of the moment overtakes u? do u have a condom just in case?</p> <p>zoegirl: oh, and where am i supposed to get a condom? you think i'm just going to march into the drugstore and</p> <p>zoegirl: *stop*! i am not having this conversation! doug and i are going to have a lovely romantic evening together, and maybe we'll fool around and maybe we won't.</p> <p>mad maddie: believe me, you will</p> <p>zoegirl: okay, we will. but we're *not* going to have sex.</p>
289	<p>mad maddie: hmm. your peasant blouse is one of those off-the-shoulder dealies, right? i say wear</p>

Page	Content
294	zoegirl: my parents came home early from the prom. they walked in on me and doug. ...zoegirl: it was completely mortifying, and my mother saw way more of doug than she ever wanted, and i'm forbidden to leave the house until i'm 43.
297	zoegirl: although it is true that the uptight me would never have been caught naked in bed with my boyfriend ...
302	mad maddie: yeah, but what was i supposed to say? so brannen and i took off to downtown atlanta, and at echo street i took a wrong turn, which meant that brannen ended up on the side where the sellers were, which actually turned out to be very lucky for me. so brannen bought a nickel bag, and off we drove.
306	zoegirl: is "spending time together" code for "fooling around"?
309	zoegirl: on the bright side, i didn't run away, and i didn't get busted buying pot. on the un-bright side, my mother saw my boyfriend's naked butt. ...SnowAngel: this time u really r talking about sex, right? about u and doug going all the way? zoegirl: we didn't even have condoms, angela. it would have been bad. SnowAngel: r u gonna buy some for next time? zoegirl: there's not going to *be* a next time for a very long time. i'm sure my mom's going to make it hard for me and doug to be alone together, even when i'm not grounded anymore. *if* i'm ever not grounded anymore. ...zoegirl: the whole night—until mom busted in—was amazing. and my body wanted more and more and more. but deep down i'm just not ready.
