

JACK OF HEARTS (AND OTHER PARTS)

By L.C. Rosen

My first time getting it in the butt was kind of weird. ...I was a freshman, and it was winter break, right before everyone left on vacation—a big holiday blowout party. ...His parents were home, and my mom was home, so he got us a room at a hotel nearby. ...Now, before this, I'd sucked my share of dicks and had gotten plenty of blowjobs, handjob, every kind of job, but the only buttsex I'd had was with this junior who was in love with my cock and he'd just hopped aboard. And he'd taken control then. Total bossy bottom. I'd pretty much just laid back and enjoyed. So, as far as I knew, anal was pretty easy—like porn easy. ...Anyway, so this senior (I'm not naming names) and I are having fun, kissing and sucking and 69ing and what have you, and then he says to me, "I want to fuck that pretty little ass of yours." And I was like, "I don't know, I've never done that before." And he smirked and said, "Sure, right." And I said, "No, really." "Well, I paid for the hotel room," he said, "so let's use it. I'll take it easy on you." But it was pretty clear he didn't believe I was an anal virgin. So he bends me over the bed and drizzles some lube on my ass. I made him wear a condom, of course. And he starts pushing it in. And WOW, that hurts. I tell him to stop, it hurts, and he says he'll go slower. I say okay because he's already in, and I'm thinking, I'm gay, so this is something I have to learn how to do, right? So he slows down and pushes in, and eventually it starts to feel good—like, really good. He's hitting the right spot, nerve endings are all aglow. Eventually he finishes and pulls out, and the condom, of course, is covered in shit. ...He makes me take the crap-covered condom off him and flush it, and then he showers alone. When he gets out of the shower he frowns at me and goes, "You're still here?" ...'Cause if you gotta go while he's inside you, it's going to come out gross. When you're ready to get fucked, use lots of lube. A finger first. Go slow. Make sure he's still focused on keeping you turned on, too. It helps if you start out riding him, facing forward—then you have more control over how deep he goes, and you can still communicate what you need. Once he's in you, tell him to just stay there for a while so you can get used to it, then when you give the okay, he can slowly start

fucking you. If you don't like it, tell him to stop. If you decide to switch holes, use a fresh condom. And be prepared—sometimes shit just happens. But if you take it slow, it can be really great.

I remember I once gave a blowjob to this guy who had a bunk bed. ...So he's kind of sitting up, but the ceiling is low, so he's also curved over, and I have my face in his lap, but the bed is against a wall, too, so I have to bend my knees, but I'm a little too tall so my knees are pushing into the wall, my feet are on the ceiling, his head keeps banging the ceiling, and I'm trying to bob my head up and down... ...We ended up throwing a blanket on the floor and 69ing, which worked so much better and we were able to enjoy ourselves. ...Some are very specific—"I love having my neck licked while you take me from behind"—but some are much more vague, like, "I like you." ...And now, since you've made it through talking and erections, finally, some blowjob tips: (1) Use your lungs to suck, not your lips to pull. You're not trying to yank the dick off with your mouth, you're trying to make it feel good. (2) Use your tongue. Lots of different ways. Ask him what works as you're trying them. (3) Use your hands—stroke the shaft if it's too big to swallow, or grip his balls, or touch his taint, or finger his ass. Don't forget you have hands. (4) Each dick is different, and sometimes the same dick is different day to day. So always try new things—suck the head, lick the shaft, or vice versa. Listen for his moans and breathing, juggle what parts of your mouth you're using and what parts of him you're using them on.
