| i | ...may the future by feminist. |
| iii | We are so conditioned to sexism that we sometimes forget it exists at all or act like it's harmless. ...Believe it or not, feminism is the answer. |
| 23-24 | Some people think girls... can't do math. aren't good at science. should be thin. ...can't be doctors. ...should make less money. |
| 37 | It's SUPER important you're a feminist, too... |
| 55 | Everyone is equal, so everyone should have the same opportunities. And if you believe that, guess what? YOU'RE A FEMINIST! |
