21	..."so that if kids at school make fun of me for having two moms, or tell me to go back to where I came from,..."
33	Now that I'm a father, there is a long list of things I worry about for my daughter, and on that list is being erased or bullied because of her race, her gender presentation, her economic class, or who she decides to love. ...I know that I have at times also participated in systems of harm against women, queer folks, and other people of color (including fellow Asians), and other marginalized people.
